

Youghal Celebrates History

16TH ANNUAL CONFERENCE

About the Conference

This is the 16th Annual Conference of Youghal Celebrates History.

This year we explore the Manor of Inchiquin and the surrounding area. The castle is rare now in Ireland – a round tower castle.

There are amazing local stories and legends associated with it. Today it is situated on a quiet country lane but it was once a dynamic centre for the manor of Inchiquin.

Join us for a memorable weekend as we try to bring Inchiquin to life.
